The Honorable Kay Granger
Chairwoman
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for a project that will allow the cities of Lilburn, Lawrenceville, and Snellville Police Departments to implement a community safety initiative by providing a platform that will allow for efficient outreach to collect recorded video within all three jurisdictions. The entity to receive funding for this project is the City of Lilburn, Georgia. The address is 340 Main Street Lilburn, Georgia 30047. The funding would be used for public safety. This project is an appropriate use of taxpayer funds because the funding will be for a safety initiative that will provide a platform to view public and community video sources for incident situational awareness and investigations. This initiative will provide a video and data collaboration platform to expedite intelligence gathering and efficiency of response to situations as they unfold throughout the community.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and safe Street Act of 1968 (34 U.S.C 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath
Member of Congress
